HOUSING CHOICE VOUCHER PROGRAM

As a participant in the Housing Choice Voucher Program you will have the opportunity to remain in your present home or if you choose, look for other housing. This unit can be a house, mobile home, or apartment managed by a realty company or rented on the private market. The Hastings Housing Authority covers housing in the entire City of Hastings but the landlord must be willing to work with the program and the home must pass Housing Quality Standards (other limitations may apply).

When the Hastings Housing Authority has determined that you are eligible to participate in the Housing Choice voucher Program, you will receive a Housing Choice Voucher and a "Request for Lease Approval" form. Your voucher will have an initial term of sixty (60) days from the date it is issued. This is the amount of time that you will have to return the "Request for Lease Approval" form so that the unit you wish to rent may be inspected. All assisted units must meet minimum Housing Quality Standards before assistance may begin and the lease for the unit must have an initial term of one (1) year.

The owner of the property may not be a family member and the tenant must not own or have any interest in the unit.

To be eligible for the Housing Choice Voucher Program, applicant income must be below maximum income standards set by HUD, which is based on the number of individuals in the household. The landlord of the unit is responsible for screening a participant of the Program for suitability for tenancy: however, all Housing Choice Voucher applicants must pass a criminal background check and must not owe money to another Housing Authority (other limitations may apply).

Applicants are responsible to report all changes in the household composition, income and address. A current and correct address must be on file, as you will be notified via mail when our office is able to review your application. Failure to respond to a request to schedule an appointment for this review may be cause for the applicant to be removed from the waiting list.

It is important to note that the Hastings Housing Authority offers waiting list preference for the following categories: displaced persons (due to federally declared disasters or action), homeless/at risk of becoming homeless, disabled, elderly and veterans. Couples and singles not meeting these categories will be served only after all families with preferences are processed.

McKinney Homeless Assistance Amendments Act of 1988, as amended by Section 903 of the Housing and Community Development Act of 1992 and Section 3003 of the Omnibus Budget Reconciliation Act of 1993. This law is found at 42 U.S.C. 3544. This law requires you to sign a consent form authorizing: (1) HUD, and the Housing Agency/Authority (HA) to request verification of salary and wages from current or previous employers; (2) HUD and the HA to request wage and unemployment compensation claim information from the state agency responsible for keeping that information; and (3) HUD to request certain tax return information from the U.S. Social Security Administration and the U.S. Internal Revenue Service.

Section 104 of the Housing Opportunity and Modernization Act of 2016. The relevant provisions are found at 42 U.S.C. 1437n . This law requires you to sign a consent form authorizing the HA to request verification of any financial record from any financial institutions as defined in the Right to Financial Privacy Act (12 U.S.C. 3401)), whenever the HA determines the record is needed to determine an applicant's or participant's eligibility for assistance or level of benefits.

Purpose: In signing this consent form, you are authorizing HUD and the above-named HA to request income information from the sources listed on the form. HUD and the HA need this information to verify your household's income, in order to ensure that you are eligible for assisted housing benefits and that these benefits are set at the correct level. HUD and the HA may participate in computer matching programs with these sources in order to verify your eligibility and level of benefits.

Uses of Information to be Obtained: HUD is required to protect the income information it obtains in accordance with the Privacy Act of 1974, 5 U.S.C. 552a. HUD may disclose information (other than tax return information) for certain routine uses, such as to other government agencies for law enforcement purposes, to Federal agencies for employment suitability purposes and to HAs for the purpose of determining housing assistance. The HA is also required to protect the income information it obtains in accordance with any applicable State privacy law. HUD and HA employees may be subject to penalties for unauthorized disclosures or improper uses of the income information that is obtained based on the consent form.

Private owners may not request or receive information authorized by this form.

Who Must Sign the Consent Form: Each member of your family who is 18 years of age or older must sign the consent form. Additional signatures must be obtained from new adult members joining the family or whenever members of the family become 18 years of age.

Failure to Sign Consent Form: Your failure to sign the consent form may result in the denial of eligibility or termination of assisted housing benefits, or both. Denial of eligibility or termination of benefits is subject to the HA's grievance procedures and Section 8 informal hearing procedures.

Revocation of consent: If you revoke consent, the PHA will be unable to verify your information, although the data matches between HUD and other agencies will continue to automatically occur in the Enterprise Income Verification (EIV) System if the family is not terminated from the program.

Sources of Information to be Obtained

State Wage Information Collection Agencies. (This consent is limited to wages and unemployment compensation I have received when I have received assisted housing benefits.)

U.S. Social Security Administration (HUD only) (This consent is limited to the wage and self-employment information and payments of retirement income as referenced at Section 6103(l)(7)(A) of the Internal Revenue Code.)

Information may also be obtained directly from: (a) current and former employers concerning salary and wages; and (b) financial institutions as defined in the Right to Financial Privacy Act (12 U.S.C. 3401), whenever the HA determines the record is needed to determine an applicant's or participant's eligibility for assistance or level of benefits. I understand that income information obtained from these sources will be used to verify information that I provide in determining eligibility for assisted housing programs and the level of benefits. Therefore, this consent form only authorizes release directly from employers and financial institutions of information.

Consent: I consent to allow HUD or the HA to request and obtain income information from the sources listed on this form for the purpose of verifying my eligibility and level of benefits under HUD's assisted housing programs. I understand that HAs that receive income information under this consent form cannot use it to deny, reduce or terminate assistance without first independently verifying what the amount was, whether I actually had access to the funds and when the funds were received. In addition, I must be given an opportunity to contest those determinations.

This consent form remains effective until the earliest of (i) the rendering of a final adverse decision for an assistance applicant; (ii) the cessation of a participant's eligibility for assistance from HUD and the PHA; or (iii) The express revocation by the assistance applicant or recipient (or applicable family member) of the authorization, in a written notification to HUD or the PHA.

"ONE STRIKE & YOU'RE OUT" POLICY

I. Introduction

On March 28, 1996, President Clinton issued an Executive Order requiring the implementation of screening procedures and immediate eviction or termination of assistance from federally funded housing programs of persons who engage in drug related or serious criminal activity. President Clinton directed HUD to issue national guidelines to enforce this policy through tenant screening and lease agreements.

In response to that executive order, the Hastings Housing Authority has adopted a "One Strike & You're Out" policy.

II. Applicant Screening

All applicants, including all members of the family 18 years or older, will be screened for suitability of tenancy as stated in the Administrative Plan. Applicants age 13 years and up will be screened for gang related activity.

Any individual scoring four (4) or more points on a criminal background check will fail the background check and face a denial of assistance. If any adult member(s) of the household fails the background check, the entire household may be denied assistance.

Pursuant to federal regulations, HHA will score the results of an individual's criminal background check for the last three (3) years to determine eligibility. HHA has determined that points will be assigned as follows for the purpose of determining if an applicant is eligible to participate in HHA programs:

CRIMINAL BACKGROUND CHECK POINT SYSTEM

OFFENSE	POINTS
Any active warrant	4
Gang Member	4
Registered lifetime sex offender	4
Felony of any degree	4
Drug Offense – Felony	4
Drug offense – Infraction violation date 12 months old or less	4
Currently using or has used an illegal controlled substance in the last year	4
Drug offense-Infraction violation more than 12 months to 24 months old	3
Registered Sex Offender	3
Drug offense – Infraction violation date more than 24 months to 60 months old	2
Misdemeanor, any degree	1
Minor traffic offenses	0

The following definitions apply:

A. Drug-related Criminal Activity

Drug-related criminal activity is defined as the illegal manufacture, sale, distribution, use or possession with the intent to manufacture, sell, or use a controlled substance. HHA will consider applicants with recent drug related history in violation of this policy. This includes but is not limited to possession of drug paraphernalia, possession of marijuana and other relatively less severe criminal drug related acts. "Recent" history is defined as within the past 3 years. Exceptions to this will be determined on a case by case basis and will include, but not be limited to the following factors: treatment history, likelihood of recidivism and any other relevant factor in determining the likelihood of continued use and/or abuse of controlled substances.

B. Alcohol Abuse

Alcohol abuse is defined as reasonable cause to believe that a person abuses alcohol in a way that may interfere with the health, safety or right to peaceful enjoyment of the premises shared by other residents.

C. Serious Criminal Activity

Serious criminal activity is defined as any crime which is of a violent, sexual, or drug related nature. Any criminal activity that would indicate a pattern of behavior that may place individuals, families or property at risk, as determined by HHA staff, will be considered serious criminal activity. HHA will review all factors when making this determination including the number of crimes committed, length of time since the last criminal activity, severity of activity and other relevant factors as determined by HHA. All criminal activity will be scored for the applicant.

D. Outstanding Warrants

An outstanding warrant of any type, regardless of the offense, will be scored a four (4) and the application will be denied. An applicant with an outstanding warrant will not be admitted to housing while that warrant is active. Warrants will be resolved prior to admittance to any HHA Programs. However, if any adult member(s) of the household can document that the warrant is no longer active, the application may be reinstated. This documentation may be provided to HHA at any time after the applicant receives the results of a background check up to and including the time of hearing, if requested. HHA will consider the following as evidence of an inactive warrant:

- a. Receipt from the court showing the fine has been paid in case with warrant.
- b. Documentation from the court showing that any adult member(s) of household has entered into a payment agreement with the court to satisfy the warrant.
- c. Documentation from the court showing the adult member(s) of household appeared in court case where there was a warrant, and warrant is therefore satisfied.

E. Gang Related Activity

Any person listed on the application that has been identified as a gang member by a law enforcement agency or has been involved in gang related activity (on or off HHA property) in the last three years will be subject to this policy. HHA will consider any evidence provided that may refute the gang membership or activity when making this determination.

If a member of a family has engaged in any of the above definitions within the last 3 years, they may be denied. Certain violations such as a conviction of manufacturing or producing Methamphetamine will result in lifetime housing denials (see Administrative Plan for detailed information).

Any applicant family that is deemed ineligible as a result of the Hastings Housing Authority's screening process shall be afforded the opportunity for an informal review pursuant to the established policy.

III. Tenant Eviction – Termination of Assistance

It is the policy of the Hastings Housing Authority that the Housing Choice Voucher program shall not be available to tenants or members of their households who engage in criminal activity or who have guests or other invitees who engage in such activity. To this end, tenant hereby covenants and agrees as follows:

- A. During the term of his or her tenancy hereunder, tenant shall not engage in any criminal activity whether the activity occurs on the leased premises, on or near the development or in any other location whatsoever; and
- B. During the term of his or her tenancy, no member of tenant's household that resides with the tenant during the term hereof, whether a minor or an adult, shall engage in any criminal activity, whether that activity is on the leased premises, on or near the housing development of which the leased premises are a part, or in any other location whatsoever. It shall be presumed that any individual who is listed on this lease as a member of tenant's household, or who otherwise is listed in management's files as a member of tenant's household and who engages in any criminal activity resides with tenant unless tenant before the date of any incident giving rise to criminal activity, shall have specifically informed management, in writing, that said individual is no longer a member of his or her household and no longer resides upon the leased premises. Further, tenant is responsible for the actions of any guest invited onto the grounds by the tenant or on the grounds by tenant consent; and
- C. For purposes of this covenant, criminal activity shall include, but not be limited to any of the following serious misconduct.
1. Physical assault or the threat of physical assault to any person whatsoever;
 2. Illegal use of a firearm or other weapon or the threat of illegal use of a firearm or other weapon.
 3. Illegal possession, manufacture, sale, distribution, use or possession with intent to manufacture, sell, distribute or use of a controlled substance, unless such controlled substance was obtained directly from or pursuant to a valid prescription or order by a practitioner as defined by (21) of section 28-401 of the laws of the State of Nebraska, while acting in the course of his or her professional practice. HHA will consider tenants who have committed any drug related crime in violation of this policy. Drug related crime includes but is not limited to possession of drug paraphernalia, possession of marijuana and other relatively less severe criminal drug related acts as well as all misdemeanor and felony related drug activity.
 4. Sexual molestation, debauchery of a minor, prostitution and other similar related serious misconduct.
 5. Inviting a known banned person onto the property by a resident is grounds for voucher termination. For purposes of this policy an invitation would be defined as allowing a known banned individual into the tenant home or accompanying them on the property without

notifying law enforcement within 10 minutes of their arrival. A list of such persons is printed at the Administrative office.

6. If HHA determines that a tenant's excessive use or habitual misuse of alcohol interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents, the HHA may terminate the lease.
7. Any felony that is determined by HHA to indicate that the tenant or client does not have the ability to abide by the terms of their HAP contract will also be considered serious criminal activity.

Compliance with this covenant is a material condition for continued tenant-based assistance, and any breach of this covenant by tenant shall be cause for termination of assistance. If the HHA believes, in good faith, that a breach of this covenant has occurred, it may terminate this assistance without regard to the following:

1. Whether or not any person, whose conduct is at issue, has been arrested, charged, or convicted by law; or
2. Whether or not the tenant had any knowledge in fact, of criminal activity engaged in by a member of said tenant's household or of any guests or invitee of said tenant or of a member of said tenant's house hold.

HHA reserves the right to deny informal review or hearings to any applicant or tenant that poses a threat to the health and safety of staff or other residents. This determination will be made by the Executive Director and only in cases that a credible threat or present danger are determined to be real. All residents and applicants retain their due process rights through the court system. Notwithstanding the foregoing, however, it shall be HHA's duty, in any eviction or termination proceedings to prove by preponderance of evidence that a breach of this covenant has occurred.

Note: A preponderance of evidence does not require an arrest and/or conviction for criminal activity. It is only necessary that the Hastings Housing Authority have enough credible information that a strong indication of; or a history of criminal behavior. Determinations of ineligibility are "civil" rather than "criminal" matters, therefore, "proof beyond reasonable doubt" is not required in order to make determinations of ineligibility or assistance termination under this policy.

NOTICE TO APPLICANTS AND PARTICIPANTS OF THE FOLLOWING HUD RENTAL ASSISTANCE PROGRAMS:

- Public Housing (24 CFR 960)
- Section 8 Housing Choice Voucher, including the Disaster Housing Assistance Program (24 CFR 982)
- Section 8 Moderate Rehabilitation (24 CFR 882)
- Project-Based Voucher (24 CFR 983)

The U.S. Department of Housing and Urban Development maintains a national repository of debts owed to Public Housing Agencies (PHAs) or Section 8 landlords and adverse information of former participants who have voluntarily or involuntarily terminated participation in one of the above-listed HUD rental assistance programs. This information is maintained within HUD's Enterprise Income Verification (EIV) system, which is used by Public Housing Agencies (PHAs) and their management agents to verify employment and income information of program participants, as well as, to reduce administrative and rental assistance payment errors. The EIV system is designed to assist PHAs and HUD in ensuring that families are eligible to participate in HUD rental assistance programs and determining the correct amount of rental assistance a family is eligible for. All PHAs are required to use this system in accordance with HUD regulations at 24 CFR 5.233.

HUD requires PHAs, which administers the above-listed rental housing programs, to report certain information at the conclusion of your participation in a HUD rental assistance program. This notice provides you with information on what information the PHA is required to provide HUD, who will have access to this information, how this information is used and your rights. PHAs are required to provide this notice to all applicants and program participants and you are required to acknowledge receipt of this notice by signing page 2. Each adult household member must sign this form.

What information about you and your tenancy does HUD collect from the PHA?

The following information is collected about each member of your household (family composition): full name, date of birth, and Social Security Number.

The following adverse information is collected once your participation in the housing program has ended, whether you voluntarily or involuntarily move out of an assisted unit:

1. Amount of any balance you owe the PHA or Section 8 landlord (up to \$500,000) and explanation for balance owed (i.e. unpaid rent, retroactive rent (due to unreported income and/ or change in family composition) or other charges such as damages, utility charges, etc.); and
2. Whether or not you have entered into a repayment agreement for the amount that you owe the PHA; and
3. Whether or not you have defaulted on a repayment agreement; and
4. Whether or not the PHA has obtained a judgment against you; and
5. Whether or not you have filed for bankruptcy; and
6. The negative reason(s) for your end of participation or any negative status (i.e., abandoned unit, fraud, lease violations, criminal activity, etc.) as of the end of participation date.

Who will have access to the information collected?

This information will be available to HUD employees, PHA employees, and contractors of HUD and PHAs.

How will this information be used?

PHAs will have access to this information during the time of application for rental assistance and reexamination of family income and composition for existing participants. PHAs will be able to access this information to determine a family's suitability for initial or continued rental assistance, and avoid providing limited Federal housing assistance to families who have previously been unable to comply with HUD program requirements. If the reported information is accurate, a PHA may terminate your current rental assistance and deny your future request for HUD rental assistance, subject to PHA policy.

How long is the debt owed and termination information maintained in EIV?

Debt owed and termination information will be maintained in EIV for a period of up to ten (10) years from the end of participation date or such other period consistent with State Law.

What are my rights?

In accordance with the Federal Privacy Act of 1974, as amended (5 USC 552a) and HUD regulations pertaining to its implementation of the Federal Privacy Act of 1974 (24 CFR Part 16), you have the following rights:

1. To have access to your records maintained by HUD, subject to 24 CFR Part 16.
2. To have an administrative review of HUD's initial denial of your request to have access to your records maintained by HUD.
3. To have incorrect information in your record corrected upon written request.
4. To file an appeal request of an initial adverse determination on correction or amendment of record request within 30 calendar days after the issuance of the written denial.
5. To have your record disclosed to a third party upon receipt of your written and signed request.

What do I do if I dispute the debt or termination information reported about me?

If you disagree with the reported information, you should contact in writing the PHA who has reported this information about you. The PHA's name, address, and telephone numbers are listed on the Debts Owed and Termination Report. You have a right to request and obtain a copy of this report from the PHA. Inform the PHA why you dispute the information and provide any documentation that supports your dispute. HUD's record retention policies at 24 CFR Part 908 and 24 CFR Part 982 provide that the PHA may destroy your records three years from the date your participation in the program ends. To ensure the availability of your records, disputes of the original debt or termination information must be made within three years from the end of participation date; otherwise the debt and termination information will be presumed correct. Only the PHA who reported the adverse information about you can delete or correct your record.

Your filing of bankruptcy will not result in the removal of debt owed or termination information from HUD's EIV system. However, if you have included this debt in your bankruptcy filing and/or this debt has been discharged by the bankruptcy court, your record will be updated to include the bankruptcy indicator, when you provide the PHA with documentation of your bankruptcy status.

The PHA will notify you in writing of its action regarding your dispute within 30 days of receiving your written dispute. If the PHA determines that the disputed information is incorrect, the PHA will update or delete the record. If the PHA determines that the disputed information is correct, the PHA will provide an explanation as to why the information is correct.
